

This is Dudley. Dudley came to us in March 2010

Dudley arrived with horrific injuries to his face and body. Dudley had a number of deep cuts and bites over his face and body. Sadly Dudley also had a broken jaw which needed emergency vet attention.

After a good few weeks of medication and lots of love Dudley slowly started to improve. His scars have now nearly all healed and his jaw has been fixed. Dudley is a fantastic dog; he likes nothing more than a big hug and kiss.

Dudley's vet care and treatment would not have been possible without the kind donations people make to us.

On the 25th April 2010 four tiny two week old kittens arrived screaming for food. All four kittens had been abandoned by their mother after she had been scared away. The kittens were starving and only moments away from giving up.

If it was not for a kind member of the public who heard them screaming these four kittens may of died. The kittens were placed in the maternity unit were they were kept warm and fed.

Making your Will?

Just Think

A short sentence in
your will...

Could end a life
sentence for them...

ANIMAL CARE
(Lancaster, Morecambe & District)
Registered Charity No. 508819

It makes sense to make a Will, it means you decide what happens to your money and belongings. Without a Will a Court can decide and there is the possibility that the Government could take it all.

There are also tax benefits for bequests to Charities, so ask your Solicitor to include Animal Care in your Will.

There are many ways to give, two of the most popular and effective are:

A LEGACY FROM YOUR RESIDUARY ESTATE, you make bequests to family and friends, etc., and leave what is left to us...

"I bequeath to Animal Care (Registered Charity No. 508819) the residue of my estate absolutely and that i) the assets comprising such residue may be used for the general purposes of the said Charity and ii) the receipt of the Treasurer of the said Charity shall be a good discharge to my Executors in respect of a payment or transfer of such assets to the said Charity".

A LEGACY, a gift of money or specific item or items of value...

"I bequeath to Animal Care (Registered Charity No. 508819) the sum of £.... (or a description of the non monetary bequest) to be applied for the general purposes of the said Charity and the receipt of the Treasurer of the said Charity shall be a good discharge to my Executors in respect of a payment or transfer of such assets to the said Charity."

Leave a Legacy of Care to Animal Care

Animal Care was formed in 1978 by a small number of dedicated people who looked after stray dogs and cats in their own homes. Over a period of time, kennels were rented and the number of animals increased.

In 1987, Blea Tarn Kennels were acquired and then refurbished to accommodate 25 dogs, 30 cats/kittens and a large variety of other animals. The Kennels were officially opened on the 19th March 1988.

Every year we find homes for over 800 dogs, cats and other animals, some of their stories are on the back of this leaflet.

If you would like to know more, then please fill in the form opposite, give us a ring or even visit our home at Blea Tarn Kennels. We are usually open 365 days each year from 10.00am to 3.00pm (please call to confirm).
