CHRISTMAS GOODIES!

It's now that time of year to start thinking about what Santa can leave your friends and family under the Christmas tree.

Animal Care have come to the rescue with our 2011 calendar full of beautiful pictures of animals that have been rescued by us. The calendar is £5 with a £1 charge for P&P if needed.

This year we have also designed Christmas cards, which are £2 for a pack of 5 different designed cards.

All the money made from the cards and the calendars go back into helping our animals. They can be bought from the Sanctuary or our charity shop in Morecambe.

Animals rehomed from June 10 to October 10

- Dogs = 91
- Cats = 150
- Other = 140

Update from the Battery Hens

We have now finished the new hen house and it is looking great.

It also saw its first 6 new arrivals who had a great time testing it out for us.

We have had great success with the rescue and rehoming of the battery hens and we currently have no hens as they have all been rehomed, they are flying

out the door. Some of which were rehomed thanks to a file we have at GB Antiques.

Thank you to everyone that has helped us with our hens and we hope to help many more in the future.

New Home For Kiri!

One of Animal Care's longest residents, Kiri has found a lovely new home! Kiri had been at Animal Care for over 3 years without anyone looking at her.

Her new owners have written the following about her:

To everyone at animal care, We thought that you'd like an update on Kiri's progress. (Animal Care's best kept secret).

She has settled in brilliantly and is really loving and happy dog. Kiri loves everyone she meets and everybody loves her! She loves to play and going for walks but most of all she loves to sleep (and snore) in front of the fire. She still hates to be left but we're working on it and we know that it will take a long time.

We would like to let people know that dogs and cats that have been in animal care long term deserve a second chance and that with lots of love and patience can be a great addition to a family.

Don't just look at the exterior of an animal like most people did with Kiri because we are so glad that we didn't .

Bye Bye Bobo!

Bobo came to Animal Care many years ago with his best friend Billy. Unfortunately Billy died in April 2008 and Bobo missed him very much but he got two new friends to play with who he became uncle Bobo to.

He continued to have a fabulous life until he sadly died on 6th October 2010.

He was a real character and will be sorely missed by everyone at the sanctuary. He loved to get lots and lots of attention and would even give sloppy kisses.

Farewell
BOBO

Can You Help?

We have begun to notice that the dogs don't seem to have any toys!

Can you help us by donating any dog toys you might have that you no longer want?

They don't need to be brand new just so long as they have some life let in them for our dogs to run around and play with.

If you can donate any toys please drop them off at the sanctuary and on behalf of the dogs a BIG thank you!
